She also loved studying God's word. She loved the Lord, church, and her church family at Orchard Church. Heidi was a longtime employee of Nike and loved her Nike family. A perfect day for Heidi was getting to go to the beach and enjoying the sun, sand, and waves. She was so proud of all her children and delighted in spending time with them. “ Heidi was one of 3 of my best friends all through junior high and high school. It was always Heidi, Denise, Renee' and me. She made my high school life wonderful, full of laughs and the love I saw her family share with each other always touched my heart. She was always so sweet, caring and a true friend. I had so wanted to go with her and a circle of friends to lunch. But by the time we had it worked out this crazy Covid 19 virus came along. I will always regret we didn't make those plans sooner. She will be missed by many and loved by all that knew her. Love you Heidi forever.

“ I loved Heidi for as long as I am able to recall. She was one of the strongest, most giving people there. Could possibly be. She is my cousin and my friend. An inspiration in troubled times—even her own as this past year proved. May her rewards be great in heaven. Cuzz

“ My love and sympathy to Heidi's dear family, who I have come to know from my friendship with Heidi's sister Hettie Ann. They all loved her so much, and shared every holiday at her home because Heidi enjoyed cooking for all of them. This year held many deep losses for this sweet family, and they have held together and helped each other throughout this difficult time. Heidi's Orchard Church family has been there for her constantly, helping her move, bringing meals for almost a year, and always communicating and uplifting her. Through it all, Heidi was kind, generous, and strong; a blessing to all who knew her...Celeste

“ Sweet Heidi and I worked together in customer service for Holiday Inn, Inc for 4 years. She and some of the other girls were young and having their first babies. I was older and like the 'Mother Hen' to the girls, ready to give advice and tips. She was precious, I loved her dearly. RIP dear, sweet Heidi, heaven gained a 'beautiful angel.' Prayers for all of the family~~Love & prayers, Annie Mason
