“ *I really miss my aunt and I'm very much miss her enthusiasm with all her strict role modeling when I was a child I grew up very close to her and my uncle bill. I spoke with her a week before she passed away and she told me how much she missed me. She taught a fight that was the strong powerful auntie that I always knew and will always remember that away. I miss you so much aunt becky. Uncle bill stay strong and stay on the path of righteousness and know that becky is your guardian angel. Love you both. Love Jesse Hopkins Faircloth*
