

Bobbie Dale (Miller) Dickey

July 27, 1954 - January 20, 2023

Bobbie Dale (Miller) Dickey, 68, peacefully transitioned into Heaven, surrounded by her dedicated & loving family, on January 20, 2023 at her home in Southaven, Mississippi. She was born in Marks, Mississippi on July 27, 1954 to the late Wilbur Carson & Bonnie Jo (Caples) Miller, She was the Granddaughter of the late H.Birt & Georgia (Brown) Miller of Marks, Mississippi, the late Winfred & Lula (White) Caples of Crowder, Mississippi, and daughter-in-law of the late Chester R. & Etoyle Dickey of Belen, Mississippi.

At 15 years old, she married the one and only love of her life & other half of her eternal flame, Jimmie D. Dickey on May 17, 1970 at Belen Baptist Church. The young couple began their married life at Columbus Air Force Base in Columbus, Mississippi. Over the next seven years, they welcomed two children, A. Shawn Dickey & Jodie L Dickey-Dalton. Through the years, the family moved around until they settled in Desoto County, Mississippi 34 years ago.

Bobbie was a beautiful soul that loved GOD, her family, friends, listening to her "Her Honey" play his saxophone, Laughing, Smiling, Diet Coke, Chatting with her Golden Girls, Reading, Cooking, Ceramics, Traveling, Manicures, Yard Sales, Camping & Shopping. Bobbie loved all things Tye-Dyed, Shiny & Pretty. She was a friend to anyone and a best friend to everyone. If you needed to talk, she would listen. If you had a problem, she would always figure out a way to solve it. She always had the heart of a caretaker which led

her into a 30 year career in Healthcare. She quickly decided to retire from Baptist-Trinity Homehealth, following the birth of her first grandchild. She thrived as a "Mawmaw" and loved each and every grandchild, as if they were the only one. She was proud of her life as a Wife, Mother, Grandmother, Sister, Aunt and Best Friend to all, and never let anyone leave without a hug, kiss & I love you. To know Bobbie, was to love Bobbie.

Bobbie will forever be missed by her husband, Jimmie D. Dickey, of Southaven, Mississippi, Son, A. “ I really thought about one memory to share I have plenty but most are day to day things such as her helping with baby showers and weddings but that’s not my favorite it would have to be when I was just a kid, I loved to hear the band but wasn’t allowed at a bar, but me being me I snuck in not thinking no one knew me as soon as I got in guess who busted me, that’s right A Bobbie, she smiled at me and said Your mama is going to kill you with a veil of doom that went threw my body I think I even felt a little light headed I couldn’t say anything but shake my head so she knew she was right , then she giggled and said I’ll let you stay but you have to sit right by me and you can’t talk to anyone, I quickly said Yes Ma’am, I had the best time just sitting there Listening to some of the best music and being there with her, many times I went to the door she would come out and get me and I would sit right by her just listening to the band. By the way she never told on me..I have loved her my whole life and I’m so grateful she has loved me back even before I was born.
