“ *i am so sorry for the loss of Carolyn. I used to work with her at Piggly Wiggly many years ago and she was one of the bestest friends I have ever had. I hate that I didnt keep in touch but I thought of her often and remember all the fun memories we had , From her losing her teeth in her pocket to me and her drinking spiked egnog at work and chasing older ladies up hills trying to help her. I am sorry to send so late but I looked her up last night and just saw her obituary and wanted to send my condolences to her family.*
