

## David Michael Frey

June 5, 1962 - April 18, 2019

April 18, 2019, David Michael Frey was finally at peace. Beloved husband to Susan and Daddy to his precious Emma.

David was a son to Liz, brother to Jennifer and Philip (Stacy), son-in-law to Davis and Lois. He was a nephew, an uncle, and a cherished friend.

A loyal and successful employee for FEDEX; he always kept a jar of chocolate on his desk for his teammates when they came by. His chocolate and snickerdoodle cookies were always in demand.

An artist (even though he denied), an avid Sci-fi fan, a rabid Democrat and a gardener who never met a plant that he couldn't grow, sometimes too well - sorry Honey, but the wisteria has to go!

Even though he left us way to soon, he is in the best hands now. David would have wanted any memorials or volunteer time to go to the Mental Health America, Bring Change to Mind or the Active Minds organizations.

A Celebration of David's Life will be held Sunday, May 19, 2019 at the FEDEX Center in Shelby Farms. Visitation and the Celebration Service will be from 2:30 pm until 4:00 pm.

“ David always listened to people, never left anyone out and had a gift of detecting authenticity in human interactions. He was a very caring and compassionate person, and always went extra miles to help others. David helped people in their darkest time. Unfortunately, in his darkest time, we were not there with him. David will be missed dearly.

“ To Susan, Emma and the rest of the Frey family. I just heard about David's passing today. I am so sorry to hear about his passing and you are all in my prayers during this most difficult time. I worked with David when he worked at Rivergate Castner Knott when he lived in Nashville. Susan; I am not sure you will remember but I was a groomsman in your wedding. I cannot tell you and Emma how very sorry I am during this time. I will keep all of your family in my prayers. I thought the world of David when we worked together; and he was always a great friend to me. God bless all of you during this most difficult time. My Condolences Alan West

“ David, I am so sad you are gone. You will always be in my heart! I will cherish our coffee conversations each morning before we started the work day. You were the best workmate ever! You taught me how to be a better project manager. I am so thankful I had that last lunch with you a few weeks ago. I feel blessed to have called you my friend.

“ A while back I worked with David on a project, and I was impressed not only by his knowledge and thoroughness, but also by his friendly, positive, and can-do attitude. I was truly inspired, and looked up to his views and approaches ever since. I will miss you David Frey. Rest in peace.

“ *I regret that I will be unable to make the ceremony, as I will be overseas. I wanted to send my condolences. David was such a nice guy. He was on my work team. I got to know him at a few team lunches and outings. We laughed over similar work experiences. I met his beautiful daughter who attended one of our work lunches at Whole Foods. My heart is broken for your family. May fond memories carry you through this difficult time. Your family is in my thoughts and prayers.*

“ I had the honor to work with David for only a few years, but his smarts, his dedication to the customer and FedEx overall was abundantly clear in every project he was part of. He always made time to help me in every way he could, with work and personal challenges, I am so thankful for that. David and I shared a cubicle wall and a love for plants and gardening. I will never forget him and I will have a small part of his presence in the plant cuttings he gave me, which are now growing in my cube and house. Rest in peace David, you are now free of your burdens.
