Eric S. Coates

Our beloved Eric Coates tragically left us on 2/11/24. He left behind his loving family who will miss him so much. Eric loved movies, his job at Channel 13 Fox, music, football, reading Stephen King, theater, and trivia. But he adored his family, his wife Monika, children Ezekiel and Emily, his brothers Andy and Bryan and their families, parents Frances and Jim, aunts, uncles, cousins, friends and always brought a smile to everyone's face.

Eric was born in Logansport, Indiana and has many loving family members there. He moved to Decatur and enjoyed many friendships and happy memories. He met his wife and had two amazing children. He and his family have lived in Memphis for the past 10 years. They've thrived in this environment with college, friendships, culture, and southern hospitality.

He died of natural causes on his birthday at the age of 51. He left behind a young family. We invite you to send flowers to the New Hope Christian Church, Attention: Leslie or donate to his immediate family, Monika Coates, through the New Hope Christian Church in Bartlett. Please pray for God's grace as our family struggles to move forward.

Eric's Celebration of Life will be on Saturday, February 17th, at 3:00 at the

New Hope Christian Church, 3300 Kirby-Whitten Road, Bartlett 38134.
