

Eric Marcel Sarkissian

August 22, 1962 - February 26, 2021

Eric Marcel Sarkissian, 58, of Memphis, Tennessee, passed away on February 26, 2021. Eric was born in Columbus, Ohio on August 22, 1962 to Adele and John Sarkissian. He attended Brother Rice High School and the Lawrence Technological University.

Eric worked as a Project Engineer at FedEx Corporation for almost 20 years. He enjoyed many hobbies, especially travel, flying and scuba diving. He shared his love of movies and music with his brother, as well as his enjoyment of RV'ing throughout the western United States. These trips also gave Eric the opportunity to indulge in his passion of photography.

Eric is survived by his parents; his sister, Nicole Born; his brother, Marc Sarkissian and his wife, Trisha; his nieces, Brenda and Amber Born; his nephew, Brandon Born; as well as several aunts, uncles and cousins.

A caring friend to many, and a beloved brother, son and uncle, Eric will be greatly missed. We take comfort in knowing that Eric dedicated his life to Christ and had accepted Him as his personal Lord and Savior. We look forward to and long for the day when God will wipe away every tear from our eyes, and death shall be no more. Our peace is in knowing that Eric is now in Heaven.

“ I consider my self lucky to have been able to work with Eric for the last 8-9 years. He was one of our favorite engineers. Eric was always willing to listen and help in any way he could. He was a true asset to the company and will be missed. Eric had a great sense of humor and was quick to laugh and make those around him feel at ease. During busy and stressful work situations he had the ability to sort things out and prioritize through complex issues. As I got to know Eric better, it was always fun hear him talk about his latest adventures. It makes me smile when I think back to his story telling. His last trip was always the place he wanted to retire. How many times he would come back from a trip and tell how great it was and this would be the place he wanted to come to next year. He talked about his trips with his brother to the southwest united states. He loved to share the photographs and tell his stories. He always talked about going back to Belize. One of the last times I talked to him he wanted to go back west and travel with his brother. Right after that discussion he showed me on the map where he wanted to retire in Florida. I think Eric would have been happy in a lot of places and would have found many people to share his happiness with. He is missed and will be missed for some time. My thoughts and prayers go out to his family.

“ We miss you Eric! We morn along with your family for you left much too early,
But our blessed hope is we shall see you soon in eternity!
He was a dear friend. Eric was (and still is) a deeply thoughtful, complex, and gifted individual and was genuinely interested in everyone he knew and worked with.
Our comfort is in knowing he made a profession of faith in Jesus Christ as his personal Lord and Savior more than three years ago. He trusted in Jesus' gift of eternal life by dying for his sins in his place. "For by grace are you saved by faith, and that not of yourselves. It is a gift from God, not of works lest anyone should boast" Ephesians 2:8-9. Love Rick, Mari Ann, and Joshua Mokry.
