

## Esther Michelle Fuglewicz

October 17, 1969 - June 19, 2022

Mrs. Esther Michelle Fuglewicz, 52 years young, went to meet her Heavenly Father, and three Angels who preceded her in death, her Grandmother Queen Esther Sapp, daughter Kema Janay Jimenez, and her Husband David Fuglewicz.

Esther Michelle was born on October 17, 1969, in Adel, Georgia, to Maria Gerotha Guess and Otis Riggins.

Esther was named after her grandmother Mrs. Queen Esther Sapp, and carried some of that Queen Sapp charm. She was a beautiful person inside and out, from winning Homecoming Queen at Cook County High School. She was strong, intelligent, adventurous, and a wonderful mother, not only to her two daughters, but to all who needed her. Michelle worked hard to make sure her daughters had everything they needed and wanted. She enjoyed numbers and people and became a very successful Accountant.

Although life was not always fair to her, she did everything to the best of her ability, not allowing her circumstances to dictate who she was or her future, and on top of every other accomplishment she had, you can add the world's GREATEST Nana to seven grandchildren who adored her to that list.

Esther Michelle leaves behind her first-born daughter Demetrice Lashae and

her son-in-law Gregory Lee, their three children, Jada, Prestin and Ashton Lee. Her Son-in-law Gabrielle Jimenez, that was married to her youngest late daughter Kema Janay Jimenez; their four children Christian, Genisys, Miracle, and Majesty Jimenez; her mother Maria Linnex, and Father Otis Riggins. She leaves behind four brothers and three sisters, whom she inspired in so many ways. Esther Michelle is also survived by a host of loving nieces, nephews, cousins, and wonderful friends that came into her life over the years. Having meet her best friend, husband and confidante while working for ViaSat, Dave Fuglewicz, Michelle was by his side until the day of his death, she took her vows through sickness and health until his end, they are now reunited.
