“ *George I am happy that I had the opportunity to get to know you a little when you worked at Schwans and I was one of your customers. You were generous with your time and always had a smile. I remember your joy when your beautiful Anna was born. I loved seeing the photos of you with her over the years. I know she is heartbroken now but she has so many great memories of you. Rest in peace, my friend. You will be missed.*

“ *Dear George, I am glad that we had met at Timewalker Toys and became friends. Thank you for the memories and the conversations we had about our passion and hobbies. I am still shocked that you are gone since I just last talked to you before leaving on my business trip last month. Rest in peace, my friend.*
