

Gertrude Mary Suding

January 24, 1949 - August 6, 2023

Gertrude Mary Suding, 74, who resided in Brighton Tennessee, died peacefully in her sleep with family and friends at her bedside Sunday August 6, 2023 in her daughter's home. Many people in her life knew her as "Ms. Trudy" but her grandchildren as well as friends of her grandchildren knew her as "Noney".

She committed 10 years of service at the Veterans Administration Medical Center in Accounts payable and 15 years in Accounts Receivable then, retired from the Army Corp of Engineers in Millington Tennessee.

Ms. Suding dedicated many years of service and volunteer work to the Girl Scouts of America as a leader during both of her daughters' schooling years. She loved to cook, sew, crochet, read, and craft, but above all else she loved her grandchildren Madison, Kennedy, and Anthony.

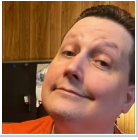

One of the fondest recent memories we all shared was Yogi Bear Campground's "Christmas in July" 2018 when we were awarded the "Golden Yogi" for winning the cabin decorating contest.

Born January 14, 1949 to Edward and Gertrude Nellie Suding during the spring following her birth, she would nap peacefully under the shade of the trees as her parents built their home on 1 Volz Street in Batesville, Indiana.

Ms. Suding's mother and father, Gertrude and Edward Suding, as well as Angela Faye Ciaccio, her youngest daughter preceded her in death along with her beloved dogs Daisy Mae and Bean.

She is survived by her younger brother Keith Edward Suding, her eldest daughter Melissa Ann, and Grandchildren Madison Hetherington, Kennedy Collins and Anthony Collins.

Tribute Wall

“ Right after I wed her eldest daughter, Melissa Ann Ciaccio May; she took hold of my lapels and confessed to me that when she saw how I looked at her daughter during the ceremony that she finally knew that I would do anything to take care of her and Madison, Kennedy, and Anthony for the rest of my days. And added with a dangerous grin, “and you better!”
