“ I am Jai's adoptive father. I just found out about his death. Jai lived with me for five years. He was a good boy and very talented with the guitar. I have many fond memories of him as a child. I haven't heard from him in 25 years and was shocked to hear of his passing. My heart is broken and I look forward to seeing him again in heaven one day.

Paul - this is the only way I know to contact you. I knew Jai for a time in 2010. It was a difficult time for both of us but I wanted you to know that Jai spoke highly of you and though his life was complicated he appreciated what you had done for him. I hope the best for you and that you know he cared for you.

“ My heart breaks upon seeing this news and I hope so fervently it isn't true, that there has been some mistake. Jai was my teacher, always an inspiration and source of light and joy while I knew him. I never forgot him and kept alive the hope for years that I might see him again. I will have much love in my heart always for Jai Kamke, the one and only.
