“ *I do not survive Jeanne husband in death for Jeanne never claimed me as family and she denies me anything of fathers in memory of him. Things I asked for some of his ashes, what I got returned to me was the box that the necklace came in and the funnel wit no necklace also some of his t-shirts to make into pillows. The enire family refuses to return my calls to give me these simple items.*

“ *Robert was one of the greatest men I have ever known. His love for Jeanne was so beautiful and a wonderful example to all of us. They are both my family by choice, not blood. I have had the honor of knowing Robert since he first met Jeanne. Robert, I will miss you and will always love you and Jeanne. Don't worry about Jeanne, we have her.*
