

Janie Hicks Tew

May 22, 1943 - September 9, 2024

Janie Hicks Tew, 81, of Oakland, Tennessee was laid to eternal rest after battling numerous long term illnesses. She departed from Baptist Reynolds Hospice House on Monday, September 9th. At the time of her passing Janie called Oakland, Tennessee home while residing with her daughter Tammy and son-in-law Dana Brokmeier. Prior to moving to Tennessee, Janie was a lifelong resident of Alamance County, NC. She was born on May 22, 1943 to her beloved parents George and Jeanette Hicks. Janie dedicated her life to being Owner/Operator of Haw River Day Care and Janie's Babes & Tots in Haw River, NC. She performed these duties until she was physically unable to do so. Throughout those years she cared for hundreds if not thousands of children. Outside of this passion, she enjoyed spending time with friends, the North Carolina Coast, gardening, and loved flip flops. Although most of her time in Tennessee was consumed with health care, she enjoyed going out to eat and taking short trips back to the Mountains of North Carolina with Tammy and Dana. Tammy and Dana would also like to take this opportunity to Give God the glory in Blessing Janie with all the doctors and caregivers she had over the past several years. Janie TRULY loved, appreciated, and even became close friends with some of you. We thank all her friends in North Carolina, our friends, and the staff at Bellevue Baptist Church, who continuously prayed, loved, and supported the three of us through this journey. We believe, that by His Grace, and all of you, we were allowed this extended time with Janie. Burial and Memorial Services will take place at

Graham Memorial Park, in Graham, NC at a later date.

“ Janie and I became friends through working in childcares! Janie was a true Christian lady! She would call and chat awhile and then say “Let’s pray”! I sat here one day and just cried because I was so blessed with Janie being in my life! Janie loved her childcare and her beautiful little ones!

I now their are a lot of loved ones rejoicing to have Janie in Heaven with them!

Tammy and Dana , dear sweet Janie loved living with you! She talked often of how caring and loving you were to her! She talked about the camper trip s! She enjoyed them so much! And, yes, Janie loved her flip flops!!!!

A true friend I will never forget and will love forever!

“ I was one of her children. I can remember being in the front room with all the chairs lined around the wall and we watched Neil Armstrong land in the moon. I remember Mrs. Bulla at the daycare and her son was much older with a deep voice and would tell us ghost stories in the front porch. Scared us to death! Remember her walking us kids in a line to go to Haw River Elementary school and we sat behind the daycare and watched them tear down part of the original school. I also became playmates with Tammy and we had some fun times when we were little. I'm so glad that we recently reconnected via FB and would love to know when her burial service will be so I may pay my respects. It's been over 55 years since I've seen my childhood friend. I send my heartfelt condolences as you grieve the loss of this special lady. It's never easy.

“ I went yo school with Janie and she was in my 1962 graduating class. I have kept intouch with Janie since she moved to Tennessee. We sent txt back and forth and talked a few times. The last few months I had txt her with no response so I'm guessing she was too sick to respond. Janie has been sick a long time and now she is finally at peace and no more pain. Tammy I know you will miss her, it's hard losing our Mother. My prayers are with you and family 🙏🙏🙏💔😭
