“ *Jimmie was my uncle. My sisters & I lived with him & our Nana for some years. Jimmie was a hard worker who raised his son & daughter also. We all grew up together. I remember when we were all little he would take us skating on weekends. We didn't like his car & always asked him to drop us off in parking lot instead of front door. When we were young that was so important to us but now it seemed so silly. We were kids embarrassed by his car. Lol. Love you Jimmie.*
