

## Jo Helen Jordan

October 10, 2017

Jo Helen Jordan, 60 Years Old, passed away on October 10, 2017, at Methodist Le Bonheur Hospital in Germantown, TN. She was born on January 24, 1957, in Memphis, Tennessee to Tildon Lee Frederick and Dorothy Alberta Littlejohn Frederick. Jo grew up in Memphis, Tennessee. She graduated from Central High School in Memphis, Tennessee in 1975. After high school she attended State Technical Institute in Memphis, Tennessee while working full-time. She worked for many different companies in various administrative and leadership capacities such as First Tennessee Bank, Life Blood, Auto-Chlor Systems, and finally at Carter Funding as a Payroll Administrator for many years.

Jo married Harold Andrew Jordan in 1977 in Memphis, Tennessee. They were happily married for 25 years before Harold went home to be with the Lord in 2004.

Jo was a member of Bellevue Baptist Church. She enjoyed being with her family, visiting with people she loved, and making people laugh. Some of her favorite things to do were reading, encouraging others, being a prayer warrior, showing off her big beautiful smile, singing, attending Southern Gospel concerts. She even grew to love Christian dances. She loved fellowshiping with her brothers and sisters in Christ. She spent most of her time witnessing to others about her savior and the love of Jesus Christ and how he was

always at work in her life. She attended the Grief Share class at Bellevue Baptist after her husband passed in 2004 and after Gods miraculous healing of her grief she was able to take on a leadership role in the Grief Share ministry that had helped her in her darkest hour. Through her own Grief recovery God gave her the gift of helping others through the loss of a loved one opening doors for her to minister to those in need like she once was. She was a truly amazing woman who had a lifetime of accomplishments and also received numerous awards from her employers but none that will compare to the rewards she is receiving in heaven right now.

Jo was preceded in death by her Husband Harold Jordan, Father Tildon Frederick, Mother Dorothy Frederick, Brother Leroy Frederick, Sister Shirley Frederick, and Sister Shelby Barrett. “ *Mark and Brad,*

*You and all your family have been continually in my thoughts and prayers. I am so sorry I was unable to be at your mom's service yesterday. We were at the hospital doing pre-op for my husband.*

*Your mom was a very special lady, indeed! Her beautiful smile, her unconditional love for all, and her tremendous faith in her Lord will forever be remembered. She was dear to all who knew her. I am thankful for the privilege of being her friend.*

*You both have made her so proud! You have been awesome in your care for her. You all have touched the lives of all of us who have walked this journey with you. You will continue to be in our prayers.*

*With much love,*

*Mrs. Dixie,*

*Thank you very much for taking the time to share that with us. We really appreciate you for being so kind and sweet, not only to us but to our wonderful mother. She will be forever missed. Thank you for your prayers, we definitely have felt them at work in our life's throughout the loss of our mother. She prayed for us daily and for our safety and I'll definitely miss that amongst everything else. I just hope to live my life in a way that will be pleasing 1) to the Lord; 2) to both of my parents that are in heaven.*

*They (Mom and Dad) have given Brad and I the tools we need to do that and to be successful in life so now we must just apply/continue to apply those biblical principles, morals, and work ethic moving forward.*

*Thank you Ms. Dixie,  
Mark*

“ Mrs Jo was an amazing mother in law and always treated me as her very own daughter. I love her and will miss her dearly. I'm so grateful that my husband and I were able to have her live with us these last few months. It gave us the opportunity to spend so much more quality time with her. I'll always cherish our chats, the baby belly dance and your sweet hugs. Xoxo love you!

“ Jo H. Jordan, an amazing mother and and my best friend. I miss her so much but I realize that this separation is only temporary because Jesus died for our sins and we (our family) have all accepted the Lord Jesus Christ as our personal Lord and Savior.

*The thought of her seeing the face of Jesus and being reunited with my dad, who has been there for many years now, helps me to know that Everything here on Earth is going to be ok.*

*I'm happy for you mom, I'll take it from here, job well done! Thank you for being such a fervent Christian leader to me and to so many others. Your light has definitely shined very bright in this world and it will shine forever through all of us that you have impacted.*

*I've told you a thousand times but I'll leave it here one last time for the world to see:*

*Thank You Mom for everything you've done for me, thank you for bringing me to the lord, thank you for always believing in me no matter how far I reach to achieve my dreams and goals, thanks for loving my beautiful wife as the daughter you never had, thanks for coming to live with us it was an absolutely priceless time in my life and you helped me more than I helped you during that time without you even knowing it, and thank you for the man that I am today, I promise to continue living my life according to Gods will and purpose and to always strive for success without ever compromising my integrity.*

*I love you mom, see you later at the best family reunion anyone could ever imagine in their wildest dreams!*

*Mark, This is a beautiful tribute to your Mom. She was a very special first cousin to me and I will sure miss her and her posts giving God the Glory for all the blessings in her life, and showing that she totally depended upon Him to carry her through the tough periods that came her way. You are also a very talented writer Mark. I long for that happy reunion in Paradise. Norma Robertson Bolander*
