She was a lifelong Tennessee Volunteers fan and never met a cat she didn't love and want to help. She loved any clothes that came in big orange or purple

She was born in Memphis, She attended Tech and Central high before graduating high school in San Diego, CA. She then lived Philadelphia, PA before returning to Memphis.

Much of her working life was in the Memphis restaurant business including 20 years at Tops Bar B Q.

Karen had a big heart and a tough exterior that she would employ on behalf of anyone she held dear in that heart. Once you were in you were in, until the end.
