“ Kay was my first crush! The cousin of johnnie, philip, mike, and sherry wilson; who were my neighbors! I still remember the first time i saw kay i was totally smitten! At the age of 12, i did not wear it well! The last time i saw kay was at philips funeral! She was one of the most beautiful and sweetest people i have had the pleasure of meeting in my life! So sad to hear of her passing, even almost 9 years after her passing! First loves never really die 🥰😭💔💔

“ Memories of Kay from her days at Memphis Technical High School are bright and beautiful. She was pretty and smart, a good student, and a campus leader. Her passing has saddened those of us from Tech who knew and admired her, and I'm sure many will join me in sending condolences to her loved ones.
