“ Kyle, Belinda, family, friends, and all of those blessed to have come to know Kelly: I send you my deepest prayers, thoughts, and condolences. Dr. June Averyt said it well: Kelly had a bigger than life personality and a heart to match it. It had been years since I last spoke to or seen her, sadly; but, she resignates as one I'll never forget and had always felt blessed by God to have had the opportunity to have known and befriended. By all of those that knew her, she'll be missed. Just remember that He has her now, in his loving embrace, untill we each can see her again. In times where I was supposed to be her minister, counselor, and mentor, she often reminded me of what really mattered or taught me instead. A great big-hearted woman I was glad to have called a friend.... Kelly, I thank you for that! Peace with the Lord, till we meet again, my friend.

“ I'm missing you so much sister, shopping at Wal-Mart without your list in my hand is not going to be the same. But I do know you are pain free now, so that helps a little. I ask that you & the rest of our family to watch over the rest of us, till we all come together again. I love you, your Big Sister Belinda

“ Kelly had a personality that was bigger than life. She was funny, down to earth, and incredibly loving among other things. I was blessed to have known her.

“ *My condolences to all of you in this time of loss. Kyle, you are 100% correct in knowing she loved you unconditionally. Her face would light up when she talked about you and shared your work and current projects. She was so proud of you. I will miss the Grumpy Cat posts she liked to share and that bright smile of hers. Praying for all of you and comforted she is with Jesus now.*
