

Kristina Dawn Young

December 27, 1971 - July 2, 2021

Kristina had a heart of gold and will always be remembered for it. She was such a giving person-sometimes too giving-but that was Kristina to her core, she didn't know any other way to be. She loved animals and was very passionate about pet sitting. She loved all of her four legged babies, but especially her sweet Lulu.

She passed away at her home with fiance, Thomas "Bubba" Wilson, on July, 2, 2021. She will be missed greatly.
