“ "Happy Mother's Day" big sis. I know you up in heaven watching down on us praying for better days for us. Not a day goes by where you cross my mind, I think of you every day. My heart still saddens of you being gone. Happy Mother's Day to mom too. I miss you too mom. Days I cried wishes you both to be here, but I know I have to move on you both are in a peaceful place now. Also, happy belated birthday sis wish you could have celebrated it here on earth with us, but God had other plans for you. Love Eternity...
