

Lindsay Sue Ploeckelman

June 29, 1976 - March 30, 2023

Lindsay Sue Ploeckelman was born on June 29, 1976 and was accepted into the loving arms of our merciful Savior on March 30, 2023. Lindsay was born to Edd Dowbert Batt and Wanda Poerner Tucker in Morton, Texas. She was adopted as an older teen by James and Phyllis Doyle.

Lindsay was preceded in death by her parents Edd Batt and Wanda Tucker, adoptive parents James and Phyllis Doyle, her Paw Paw Edward Dow Batt, as well as many other relatives. She is survived by her two sons Caleb Scott and Dakota Aaron, her Granny Velda Jo Lilley Batt-Gunter of West Plains, Missouri, siblings Edward Batt of Panama City Beach, Florida, Vernon Batt of Texas, Velda Shirley (John) of Prince De Leon, Florida, Edd Batt Jr. of Panama City, Florida, and Suzy Havlicek (Jessie) of Youngstown, Florida as well as many aunts, uncles, cousins, and nieces and nephews.

Lindsay was a very loving and generous person. She was a huge help for her cousin Alicia throughout the years and became a second mother to the children she helped raise. Her love for them was unconditional. Lindsay's legacy lives on in the hearts of the five children she helped raise. Alicia and the children are eternally grateful for her precious life and the time they were given with her.

Lindsay loved to laugh and joke and have fun. She was quirky in her own way

and loved life to the fullest without feeling anything but pride for her own uniqueness. She loved taking her nieces and nephews to the zoo. Lindsay loved animals more than anyone. She could turn a wild alley cat into a purring kitten in minutes.

Lindsay was SO giving that she gave others a chance to be on this earth with their loved ones a bit longer as she was a donor. Someone is hugging their loved one a little longer because of her. Many lives were saved and over 100 people will have a better quality of life because of her generosity.

A celebration of life will be announced at a later date for family and friends in the Memphis area and also one for Panama City family and friends. In lieu of flowers, we are asking for donations to be made to the Memphis Zoo in memory of all the many, many days she spent there with the children. Look for the 'In Memory of' and input her name and the family's address to receive the letter of honor.

As we look back on our time with our sweet Lindsay, let's remember the advice she always offered: "Don't let anyone steal your sparkle."

“ Lindsay when I got the news today I just kept thinking about when I had first met you we both were going to the Salvation Army in Wausau for lunches and we had become pretty good friends then you started coming over to me and Louie's apartment and you ended up living with us for awhile which I was very thankful for because you would help me out around the house I am a diabetic and have a lot of problems with my feet and at the time I was looking at amputation of my big toe and that caused me a lot of problems with walking sometimes even standing but I did what I could and you were always there for me to pick up the slack and for that I was thankful I remember you had your cat Tinkerbelle and you were a huge fan of Tinkerbelle the fairy but Louie started staying with you and Steve in Dorchester and after my amputation I was placed in a Nursing Home for Rehabilitation I was in the nursing home for around 5 months which at this time I was very thankful that you let Louie stay with you we were having our own problems and you guys let us have our space from each other to decide if we wanted to stay together or not but I feel that you were there there not only for him but also me Lindsay I would really like to thank you for all you did for me I am very saddened that you are gone but you will never be forgotten you have a family who loves you deeply and I love and will miss talking to you to but you will live on in the hearts of people who do know how loving and caring you are RIP my friend God speed

“ I wish we would have taken more pictures but I'm sure that's the case for everyone...you were Kierens best friend for the longest time and both of my girls along with myself loved you. You made an impact on all of our lives and you helped us in so many ways. You saved the day on so many days and always with a jokey joke. You were a call away when it came to any of the children and they knew it. You were their favorite because you were fun! A joy to be around and we sure will miss that. The kids will never forget you and you will live on in great memories made. WE LOVE YOU CRAZY LADY

“ I didn't know the last video chat was the last video chat. I didn't know the last visit two years ago was the last visit, especially since we were planning our trip for this summer. I miss you. And every little detail that comes together for you is an accomplishment and yet a reminder that this is real. I'm so grateful that I got to be with you in your final moments. It wasn't the trip I was planning. Its not how I wanted to spend time with you. I wanted more family photos. More laughs. More time. But God let me be with you in your final hour and let me see your face as you saw His. I will never in my life forget that moment. Its the kind of moment that would make anyone believe, no matter what they had believed before. God allowed you to be a testimony one more time and I am forever grateful. I love you my sweet sister Lindsay.

Love always,

Suzy Q

“ *My sweet and precious, stern, loving, crazy and somewhat misunderstood cousin.... U had a leadership of love and teaching and protection about urself I've never seen before. Ur understanding of others was more then words could say... U went above and beyond most could ever do for the sake of others when u was needed and never thought twice about it! Ur patience was unlike most and ur ability to have so much empathy, and integrity is unlike anyone has ever seen, and is not left unspoken or unseen! U completed a house of unknowing and made it a home for everyone in it for years. Your heart and soul will never be forgotten, and your kindness, and love will always be with us all! We love and miss you my beautiful cuz. Until we meet again!!! Forever in my heart never forgotten in my soul!*

“ Lindsay Marie! “that’s not my name!” The children and I miss you so very much! I’m so grateful for all of the memories we have of you. I have so many favorites, you pleading with the schools from the floor that “a tiny light dusting of ice should NOT close the schools for an entire week!”. You telling me “get up Alicia! You don’t have to go to work, but you’ve got to get outta here!”. Watching you slide down a slide definitely not made for adults so that the kids would know it was safe. You would sneak food to a stray cat and before I knew it...boom a new pet. The way that you would tuck the girls in so tightly and come back for the second good night every single evening. You were Jayden’s very best friend, Matthias’s constant companion. Journey’s confidant when she was trying to figure out life. JoAnna-Grace would try your patience more than any of the others, and still you loved her more than her demeanor deserved just like her Momma. Meadow Rain was your “princess” and we all know that could mean two things coming from you. We will miss your home cooked meals that nourished and nurtured this home was above anyone else’s! I know this for certain...you loved each of us unconditionally! Boy howdy do we love you! You’ve already kept your promise of visiting all of us in our dreams and your love remains here within our hearts. Until I see you again sweet cousin.....
