“ My Aunt Lisa was one of the sweetest ladies I've ever known in my life. Even though I haven't then around her in a few years, I know that when I was around her, I always felt so comfortable. She was such a loving woman and I know she loved her kids, husband, and grandkids so so so much. I love this lady so much and I know that she is in peace now, flying with the angels. I love you my Aunt Lisa forever and ever!
