

Marjorie Louise Grannan Baxter

September 28, 1955 - December 7, 2025

Beloved grandmother, mother, and wife, Marjorie Louise Grannan Baxter, 70, passed away on December 7, 2025, at home, surrounded by her loved ones. Nana B, as she was known by her grandkids, or Margie, by friends, was a whiz at word games and a lover of cats – who tended to adopt her rather than the other way around. Nana B kept a warm home and was a great cook – hospitality for her family was her love language.

She was born in Evansville, Indiana, on September 28, 1955, and relocated with her parents and 3 older brothers to Memphis, Tennessee, at 3 months of age. Here she attended Our Lady of Sorrows School and Memphis Catholic High School, graduating in 1973. She married Ray David Baxter in 1974, and together they proudly raised three daughters. Once their children became school-aged, she completed a degree in Computer Programming and joined FedEx, where she enjoyed a long career programming mainframe computers.

Nana B will be remembered for her sharp wit & appreciation for the funny in a situation, and her love for & dedication to her family. She is survived by her husband of 51 years, Ray David Baxter, and three daughters: Stacey Baxter of Memphis, Shelley Ost (Daniel) of Germantown, and Kathryn Richmond (Randall) of New Orleans. She is also survived by her brothers Timothy Grannan of Memphis and Kenneth Grannan (Stephanie) of Safety Harbor, FL, and four grandchildren: Connor Ost, Samantha Ost, Lucy Richmond, and Finn

Richmond. She was preceded in death by her parents, Dorothy Marie Hunter Grannan and Cornelius Austin Grannan, brother John "Jack" Grannan, and sister-in-law Victoria "Vickie" Grannan.

In lieu of flowers, she preferred that a donation to a charity of your choice be made in her honor.

“ I’m so incredibly heartbroken. I can’t even imagine a world without Margie. We’re connected from Brownie scout days all the way through grandchildren and beyond. To her 3 girls: I hold and cherish many, many memories of your mother through many years and if you ever wonder about things that you wish you could ask her, I might have answers for you.

May good memories give your family peace through these most difficult times and know that you are all in my constant thoughts. ❤️

“ I am so very sorry to hear this. I know now that she has been very ill and suffering so am thankful that is in the past. My thoughts and prayers are y’all of you. As you navigate this new life without her, may you find Gods perfect comfort and peace focusing on the precious memories she made with you.

If I can ever do anything for any of you please let me know. You will always be family and I love you.
