

Marsha Wesson

October 10, 1952 - August 7, 2022

Marsha Sharon Wesson, 69, of Memphis, TN passed away on Sunday, August 7, 2022, after a long battle with multiple illnesses. She is survived by her three children: Sharon Nicole Smith, Shanna Watkins-Earnheart (April Earnheart), Douglas Wesson, Jr., and their father, Douglas Wesson, Sr. She also leaves behind three grandchildren: Aaron Smith (Brittany Smith), Devon Watkins, and Brandon Watkins. She was preceded in death by her parents, Clyde Hurst and Carlie Hurst, and two brothers and a sister: Kyle Hurst, Calvin Hurst, and Patsy Caroline Hurst.

She devoted her life to raising her children, who she adored. She spent a lot of time teaching them as small children and encouraged creativity in them. She was a very artistic and creative person as well. She was an amazing cook. Her homemade biscuits were unmatched. If you ever went to her house, she would immediately try to feed you when you walked in the door. She was loving and kind, hilarious, and cantankerous, to say the least. She loved animals, and leaves behind two dogs and two cats. She was extremely interested in her family's genealogy and spent a lot of time tracing her roots. Her favorite place was to be sitting at her kitchen table drinking a cup of coffee with her kids and grandkids, just talking and laughing the day away.

There will be no service at this time. In lieu of flowers, please make donations to The Mayo Clinic in support of their efforts to research and fight Alzheimer's
