

Michael Thomas Ferguson

February 26, 1957 - January 29, 2025

Michael was an extraordinary man. He was like a crab; soft on the inside and hard on the outside. He was the most loving and forgiving man I've ever known. It was a pleasure to have known him.

He may not have made the best decisions but he managed to do what most didn't expect. He became a Doctor of Pharmacy. Michael was the best husband, father, and Pappy. May he rest peacefully with Jesus.

Michael is preceded in death by his mother Mary Jane Haladi and Father Sonny Brownfield. He is survived by his wife Patricia Ferguson, daughters Erica Welty and Corrine Mays, brother Bill Ferguson, and grandsons Michael Taylor, Jax Taylor, Lucas Welty, and Benjamin Welty.
