“ There are so many memories I don't think any of us can count them all. Mikey was just a joy to be around. We often turned on '80s rock at the pool in the summer to see who could guess the band the fastest. Obviously, I lost most of the time! He will be missed exponentially. His smile, his infectious laugh and his unending love and willingness to give whenever something was needed. We will miss him. But will hold on tight to all the memories and laughs. We love you Mikey!

“ Where do I begin? Sitting here thinking of something eloquent to type is not me. I miss my friend dearly. So many fond memories to share about our friendship. As our sons grew up at Sea Isle and church, we became friends quickly. Softball , out of town golf trips and many fun games of cornhole. Everyone wanted to be on Mikes team. He was a master of the bags. Mike never changed and that is absolutely the way I want to remember him. A dear friend that cared deeply for his family and friends. Love you Mike and see you on the other side. Lew

“ My favorite memory of Mike was when Kevin was in High school. Mike was always there cheering on his baseball games. He told me once he always changed his schedule if he had too to be there for Kevin. He lovingly calld out advice and you could tell in his voice how proud he was of Kevin. Love all of you-Margaret
