

Noah Ferrell Garner

March 19, 2001 - September 30, 2021

With deepest sorrow, we announce that Noah Ferrell Garner, age 20 our most beloved son, family member, and friend passed away suddenly on Thursday, September 30, 2021.

Those who knew Noah, lost a shining light in their lives.

Noah will be missed by his father, Adam F. Garner; mother, Jamie R. Garner; grandparents, Jimmie and Rose Ann Sorrels-maternal; uncles, Micheal A. Garner, Anthony C. Garner; aunt, April D. Garner, and friends.

We know Noah is now with his JoJo, Jo Ann Garner and Papaw, John Garner and is loved here on earth as well as in heaven.

As Noah's father, I recall many precious moments we shared together during his short time with us. One of my most treasured memories was when he asked me about his creator. For those that knew Noah personally, you can understand that conversation was not a simple one. He always wanted to know the "why" about everything in life and this conversation was no exception. Fortunately, I was privileged to explain to Noah what it meant to have a personal relationship with Jesus Christ. His grandmother, Rose Ann, also played a major role of influence in his life as she spoke openly about her faith and walked it out daily for him to see. Even though we grieve, we also

celebrate Noah's faith and have no doubt that his salvation is secured in Christ.

Son, we love you and look forward to seeing you again!

John 11:25-26

Jesus said, "I am the resurrection
and the life; he who believes in me,
though he die, yet shall live,
and whoever lives and believes in me shall never die."

A private memorial and celebration of Noah's life with immediate family and close friends will be held Saturday, October 9th, at the home of Jim and Denise Lenahan in Germantown.

To honor Noah's memory please send donations to St. Jude in his name.

“ Noah, little man...sorry bud but I'm still in disbelief that you've gone on before us. I do look forward to seeing you again one day. There was always chunks of time gone by when I'd get to see you but the one thing I'll always remember about you, Noah, was how you would always meet me with a big squeeze hug and big bright smile and was always genuinely happy to see me as I was to see you! You grew up to be a good lookin dude, way to fast and gone way to young. Love and miss ya buddy...Mr. Kelley.

“ Noah, your body is at rest for the moment, but your soul is so alive! Your spirit still remains with us in how we remember the man you were. I still remember the first day I met you, you were still in a car seat, the last day I saw you, I was talking to you about offering you a job. You saw this world and said bring it on, I know who my Salvation rest with. We suffer in your rest as you are no longer here in body but we can only rejoice in the reunion because your heart is with Jesus. I love you buddy. Until I see you again, all smiles.

“ Noah,

Words can not express the way I feel about your passing. I thank you for allowing me the opportunity to be a mother (step) even if it was for a brief period of time, the memories will last a lifetime. I hope that you know left a footprint in my heart. I tried my hardest to show you love and to let you know you were cared for regardless of any circumstances. We both know when we came into each other life it wasn't smoothest and there was definitely a lot learning and growing pains. I'm sorry life wasn't always the easiest for you, but I'm glad your dad, grand parents, and I were able to show you the love/plan God had for you. We all hate that your life was taken so early but to know God is there protecting you now gives me great comfort. I hope you found the happiest you always desired and deserved as a child of God. You will always be our Nogie. You will be missed. Love you- Candice

“ Noah..I have no words to express the grief & the sadness Pop and I feel each time we say your name...which we do often.

You had our hearts the first time we laid eyes on you in Austin! Not too long after that your parents brought you home to Memphis...and then you and your Mom came to live with us on Honey Tree! Your Mom, Jo-Jo and Pop and I always made sure you had all you needed and most everything you wanted! 😊

Noah, the thing that makes me so sad is to know you won't be able to pursue all of your dreams! But I do know you will have Eternity to work out all those dreams and plans...I bet Jo-Jo, Grandma & Grandpa Great and Grandma & Grandpa Sorrels greeted you with open arms...they all loved you more than you could imagine.

And for me, I hope you know that I was ALWAYS there for you no matter the circumstances...I wanted to make sure you had all the things you needed and I know that you knew Mr. Noge..you were loved to the moon and back by me and Pop.

The things I will miss the most are our regular texts and phone calls that always ended in "Love you Granna"!...but Noah you and I had many conversations about Eternity and where we would go when we took our last breath.. that I know ...you are in the presence of Jesus and I will see you again.

Love you Noah...and we will never quit saying yiur name!!

Love you forever!

Granna and Pop

“ Dear Son,

Your mother and I would like you to know how blessed we have been to have you a part of our lives. From the time we first brought you home, to your first steps, and your first words we were gifted with experiencing joy and love like never before. We were so young and without life experience when you came to us but with your presence alone we were able to understand the meaning of true unconditional love, for that we are eternally grateful. As you continued to grow we witnessed your wonderful personality develop and reveal the unique characteristics that made you the amazing person you are today. We love that you have your own interests, your own opinions and thoughts, and your own way of doing things. We will continue to celebrate your individuality and honor the young man you have become. Thank you for being you and for making all of our lives better.

*Love you always and forever,
Mom and Dad.*

Noah...Pop and I are still trying to grasp that we won't have you to be with us as we make the final leg of our journey! We have so many awesome memories, there isn't enough room here to even begin to tell everyone how much you meant to us and how much we loved you...from the very first time we held you. The years you and your Mom lived with us gave us the opportunity to have you be even more embedded in our hearts.

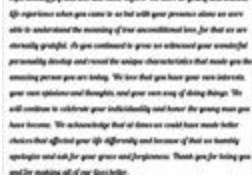

Noah...the hardest part for me is knowing I will never hear you say the words I cherish most at the end of every conversation you and I had..."Love you Granna"! But, I do know you made the biggest commitment of all ...to make Jesus Christ your Lord and Saviour...and that I know will allow us to meet again for Eternity!

Love you Mr. Noge!!!

“ *We love you Noah. We were excited to have a stepson and stepbrother in our family. We wanted to get to know you and to share in your successes and accomplishments. Your Dad and I talked often about what a great young man you were becoming, and he was so proud of your faith and love of other people. We were planning family times, and we were hoping for trips, holidays, dinners, and fun together. We will keep your memory in conversation and in thought. Your intelligence, funny laugh, and sense of humor will always be remembered. Love, Emily, Ryan, and Madie*
