Very sad to see that Pam died in 2020. We were close friends as children and young adults for more than 30 years. Our parents were also close friends.

Pam was very funny and could have been a stand up comic. She also was a fabulous cook, especially her Mexican casserole. Another talent she had was her ability to always maintain attractive living spaces, no matter how she felt. I think she enjoyed her life in the Memphis area.

I send my condolences to her family and other friends.

With Love, Charlotte Barden
