

Pattie Marie May

June 14, 1931 - November 22, 2018

In loving memory of Pattie Marie May

June 14, 1934-November

Our mother, Pattie Mae went to be with the Lord Thanksgiving Day. Although we will miss her she knows how much she was loved. There hasn't been a day in our lives that we haven't thanked God for her love. She was there for us in our times of joy and when we needed a shoulder to cry on. We loved going places with her and spending time talking about our childhood and hers. Our lives will never be the same without her, but our lives were blessed because she was in it. Now she is in heaven with all of her sisters: Easter Miller, Joy Miller and Era McKenzie and her parents, John and Elizabeth Watson. Our mother had a beautiful smile and a heart to go with it. It is hard to believe she is gone but now she can fly with the angels and never be in pain again. We may wish we could have gone with her but our time on earth is not yet done.

She leaves behind three daughters: Debbie Hennin, Terrye Lively and Cynthia Collier, five grandchildren, Michelle Anderson, Robert and Angel Church, Ryan and Delina Collier, three great grandchildren, Christian and Braxton Church and Dakota Collier.

Now with pain in our hearts and tears in our eyes, it's time for us to tell her good bye. She has gone to be with our Father in heaven but she will live in our hearts forever. God, please take good care of our sweet mother until we meet again. We love you "Mummie". See you soon.

For service information please call Terrye Lively at 901-388-4946 or Cynthia Collier at 901-232-9979.

May God Bless You!
