“ Met Phil in the 8 th grade, he went to school at st. James, or st. Michael school, I believe, while I went to school at Blessed Sacrament . We both played football at St. Michael school. Later we both attended Treadwell high , where we both played football all the way thru our sr year. Great friend, I am so sorry we lost touch the last few years. I just now on 9/11/22 saw that he had passed. I know it's been 2 years or so, this was at the time when we almost lost my son Brian to covid. I don't want to bother any of his family this long after his passing, but just know that I loved him like a brother! Godspeed to all.

Sincerely,

Joe & Debbie Abraham
