“ I was so sorry to hear this tragic news. I loved Becca so much and remember all the times we had together "back in the day". Especially making sure the girls had a good Christmas! I cherish those days and memories Connie. She was so cute and precious! You know I'm here if you need me. Losing a child is like no other pain in the world so I know what you are going through. My deepest sympathy and prayers are with the whole family now. Wish I could be there in person. So, so very sorry. Much love and hugs!!
