“ ... 😞 why? Why you had to leave me? Your baby sis lost without you! As I'm typing all this tears falling from my eyes. I'm still in denial about it! Still can't believe you're really gone 😞 You struck us hard with this one rich. Got your ashes and picture in the room with me!!! Look at em everyday to only realize you're not here with me anymore. It hurts so much my heart hurts badly bro. My big brother really left this world too soon 😞 forever going to miss you crazy boy... come visit me .. I love you past life ❤️🔥
