“ Dad,

*Just wanted you to know how much I miss you and think about you every day! I cherish memories we had and hold them close to my heart, thanks for all the good times we had together: fishing, super chevys events, casino times etc.... You were a book of knowledge and only do I wish I could call you and talk. You gave me the car collecting bug and it's led to having 5 first gen Camaro's, I hope to see you one day and just know I am very proud to be your son!!!  
With all my love, Robert*
