“ It’s really hard to believe I’m writing something on your Obituary memorial my dear friend Sam!!!! And I feel I have so much to say ... yet this just doesn’t feel right!!!! But I know you’re exactly where you’re supposed to be back with Jesus now and all your loved ones who preceded you in death. Boy to say you’re going to be missed tremendously by so very many is a huge understatement!!! They just don’t make ‘em like you!!! I know I always have and always will cherish our time-talks-drives working etc together!! You taught me so much and helped me get through a very difficult time! I’m just so grateful that I had the pleasure of meeting you and having you in my life even if only for a while!!

I’ll never forget you simply telling me that you enjoyed my company!!! I felt it was the nicest purest thing anyone could ever say to me!! Such a sweetheart!!! Sam I’ll be thinkin of you for years to come- until we meet again!!! love you today always and forever!
