

## Sharon Anne Krogh

January 7, 1959 - February 16, 2021

“Momma Sharon” peacefully finished The Good Race, and went to be with her Lord Jesus Christ on February 16, 2021 while in the Covid-ICU at Methodist North Hospital in Memphis, TN. She battled with Covid-19 for about four weeks until she lost the fight against this horrifically powerful virus. Like many other victims in this unpredictable pandemic, Sharon suffered alone in the Covid-ICU, as the hospital declined visitors to the floor. We can only imagine how she felt in her final moments being isolated from her highly cherished family and friends. Sharon loved being with people immensely. She devoted her entire Christian life to being a light for Jesus by using her Spirit-given gifts of Encouragement and Generosity; most especially through her pure joy of giving clothes and food to all people in need, and sending everyone she ever knew Encouragement Cards and Packages in the USPS Mail, which she always called “Snail Mail”.

Sharon was preceded by her husband, Gary Steven Krogh Sr., of nearly 32 years, and survived by her four children: Linda, Gary Jr., Melanie and Julia Krogh; granddaughter Paten, Sister-in-Law Toni Krogh, and Nephew Chris Miller. Sharon was a lovingly devoted housewife, stay-at-home mom, active church member at The Memphis Church ICOC, and a wonderful best friend to everyone she met, as she never met a stranger. Even up until her final week of life she continued to serve her community, congregation and family. Sharon lived her life as a servant of God in such a way that when she met Jesus we

know he said to her, "Well done, my good and faithful servant". Though Sharon Anne Krogh is sorely missed here on Earth, we all know that she is rejoicing with her beloved husband "Steven" in Heaven above. In Lieu of Flowers, please send Cards to 2986 Charlestowne Place, Memphis, TN 38115.
