

## Tim John Hendrickson

January 4, 1942 - August 22, 2021

Tim John Hendrickson, 79, of Maquoketa, IA, passed away on August 22 at St. Francis hospital in Bartlett. He resided in Germantown, TN.

Tim studied Mechanical Engineering at the University of Kentucky and went on to have a successful career. He was able to start a business with his father Tom (who he referred to as Dear Old Dad), and retired as the owner/CEO of Flo-Dynamics, Inc. After retirement, Tim enjoyed traveling the country to various motorcycle rallies cooking BBQ for the crowd.

Tim was a proud father, grandfather, and friend. He loved adventure and acquired quite the collection of toys throughout his life - airplanes, motorcycles, boats, convertibles, and RVs. Some of his hobbies included traveling, photography, deep sea fishing, boating, riding BMW motorcycles, duck hunting, watching car races (he loved the Indy 500), flying airplanes, hanging out with friends, telling stories, watching college basketball (especially Memphis and Kentucky), and cooking. His favorite things to cook were barbecue, chili, and blueberry pancakes. He was known to enter cooking contests where he often walked away with the prize. Most recently, Tim

enjoyed spending time on his boat at Pebble Isle Marina and coming to watch his grandsons play basketball.

Tim was preceded in death by his parents, Tom and Clarice Hendrickson, and brother Donald "Donnie" Hendrickson. His life will always be remembered by those he leaves behind - his sons Tim Hendrickson and Tom Hendrickson, his daughter Terri Gallagher (Sean), and his grandchildren Alex, Drew, Mandy, Gage, Cooper, and Chance. He also leaves behind his dog (his best buddy) Bandit.

Tim will be laid to rest with his parents and brother at Walnut Ridge Cemetery in Jeffersonville, IN. To honor his request, there will be no formal funeral. Please feel free to leave comments about your memories of Tim to keep his legacy alive. A small gathering and celebration of his life will be held later - date and city to be determined.

“ Our lives are so much better having been touched by this amazing man - Tim had strong faith and belief in God as I have witnessed; He is a gentleman and a gentle man; Tim was spontaneous and adventurous. He had so much of his father in him, honesty and devotion which I loved so much. Tim loved music and had a great voice mimicking the greats like Sammy Davis Jr, Frank Sinatra & on & on, we loved Blues Alley! He loved Indy 500 & all the latest hot, tasty cars, always rode in style. He was always up for competition for Chili Cookouts, sadly I never got to taste but know he was the winner! He was a proud American and I'm so proud to be related to this humble individual. He was a devoted father, grandfather, brother and husband and loved his life as he chose to be remembered. Tim made an impression not only on me but many for his gentle spirit- so much like his father who he adored. In loving memory of my dear cousin, will truly miss you, Love Nadine Fredrickson ❤️

“ Tim was an active and delightful member of the Riders of the Mid-South Motorcycle Club, and we enjoyed his company on many rides together. Tim will be sorely missed by us and all members of the RAMS. One rally, I couldn't sleep, got up very early to have some hot chocolate, and there was Tim, already drinking his coffee at 3 am. We had a lovely conversation over hot drinks, and I appreciated his depth of knowledge in so many areas.

“ Unfortunately I will not have many memories of Tim because the time we knew each other was brief. It was little more a year ago that he welcomed me into his family, filling a hole that I hardly knew was present. I can never express my gratitude for his kindness and acceptance. I am so grateful to have had the opportunity to know him, if only for this short time. His children and grandchildren are in my prayers.

Tim was a Great cook. I have memories when he would come into town for the holidays to visit Tom, Pam, Alex, and Drew. He would always help with making dinner. Pam would always brag about his gravy he made from scratch. He gave me a Bobby Flay cookbook for Christmas many many years ago, which I still have in my kitchen. There are many smiles when you think of the memories Tim left behind. May he rest in peace. Many thoughts and prayers for the family. 🙏🙏❤️
