“ God saw you getting tired. When a cure was not to be,
He closed his arms around you and whispered, "Come to Me".
In tears we saw you sinking. We watched you fade away.
Our hearts were almost broken, you fought so hard to stay.
But when we saw you sleeping so peacefully free from pain,
We could not wish you back to suffer so again.
So keep your arms around her Lord, and give her special care.
Make up for all she suffered and all that seemed unfair.
RIL. Will forever miss you and hold you in my heart. A bond that will never be broken! Love you, Tammy Jackson Walker

“ I can go on and on, but I'm forever grateful for our friendship!! Our bond was unbreakable. No matter what I could always count on you. My heart hurts but I find relief knowing you are resting in our fathers arms. I know I don't have to ask but keep your eyes on us. I've watched Tyshon hurt for days he had just said months before all of this "man Shika is my rider she got me" and he was so right. Rest on love. I would like to think Bruce welcomed you and I'm sure y'all have discussed your Cowboys and his Panthers. And without a doubt I know your holding onto my angel Wayman...until we meet again love you Shika!!
