She could make any hairstyle “look like glass”. She was the talent behind Priscilla Presley’s beehive. She loved her clients. She always took the time to listen to what was going on in their lives. It wasn’t just a career, it was about the human condition.

Known to many a “Dr. Wanda.” She was always there to diagnose any ailment and prescribe what to do about it. If she didn’t know how to help, she would do endless research.
