“ *What can I say about Winston, playing on the schoolyard, sitting in alc together at the Olive Branch middle school after mischief, Roller blading badly. He introduced me to comic books, I still love them today and often think of hime when I read them. J.J.*

“ *He was the love of my life. I miss him everyday. My heart yearns for him. It's been over a year since he died and it hurts just as much as it did the day he died. I will never b the same . When he died he took a piece of me with him. He was an amazing man. He made me feel so loved so beautiful. He had the biggest heart. And a strong relationship w the Lord. I will always love u winston. April*
