“ Zack you were my first true love! I was so infatuated by you no one could keep us apart! I had so many amazing times with you and am so glad you were apart of my life. I learned so much from you. There wont go a day that goes by that you won't cross my mind as you always have since I was a young one. I've always held a very special place in my heart for you and always will. Love you and miss you dearly. God Speed Zachary Carlisle and you Fmaily and Friends and my prayers are with you all.
